PROJECTS

Topic:Online Application Form for Acharya Bangalore B-School .

The website was developed for online application system for Acharya Bangalore B-School in which a user can register and login to apply for admission in this college. After filling out the details he will be redirected to payment gateway and pay the charges for form. And once done we can track the paid and non-paid applicant and give details to client team through a view in which they can see the status of each student.
